»new, quieter, less costly  
battery motors

BATTERY OPERATED MOTORS

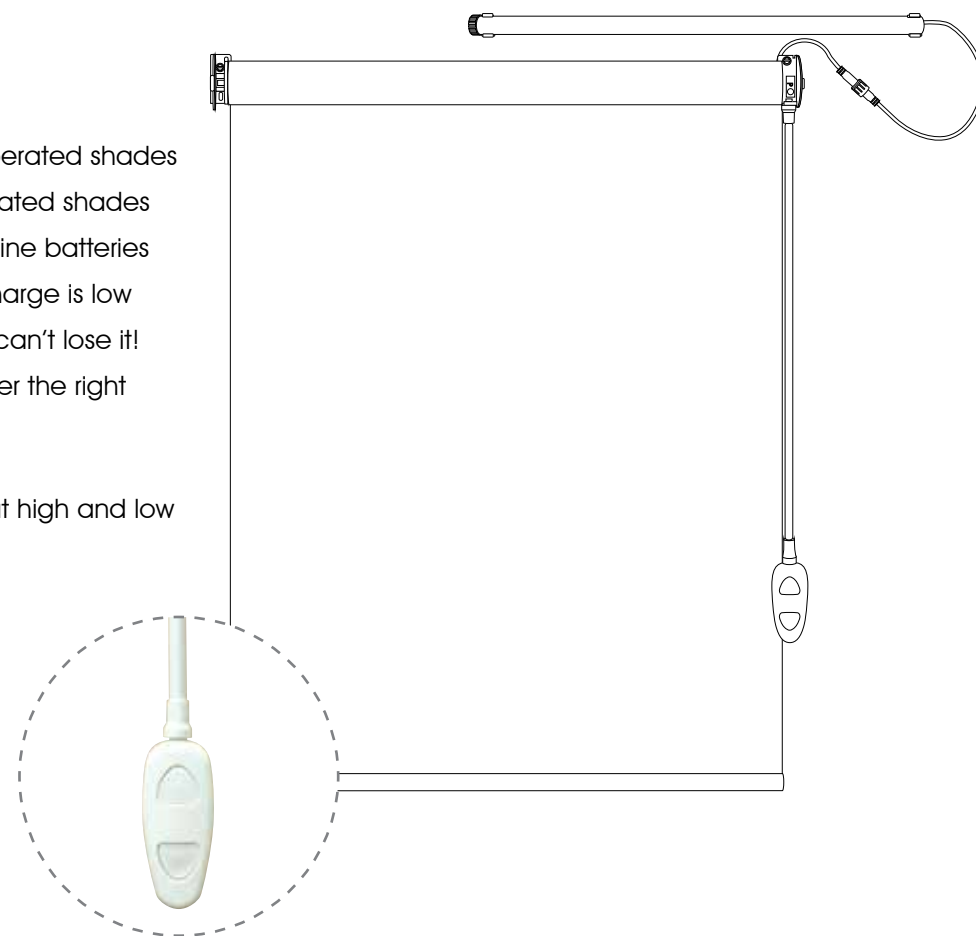

**NEW POWERFUL BATTERY-OPERATED SHADES**

»more benefits, less money!

**Safe, Child's Room Shade with Magic Wand Controller (LS700)**

~ *Retails for \$250*

- Child Safe
- No operating cords or chains
- Costs less than other battery-operated shades
- Quieter than other battery-operated shades
- Powered by 8 double "AA" alkaline batteries
- Warning sound when battery charge is low
- Attached wand controller, you can't lose it!
- Wand can be specified on either the right or left side
- No wiring installation
- Electronic limit will stop shade at high and low points automatically
- Stop your shade anywhere
- Easy to operate
- Compatible with our exclusive fabric-wrapped cassettes

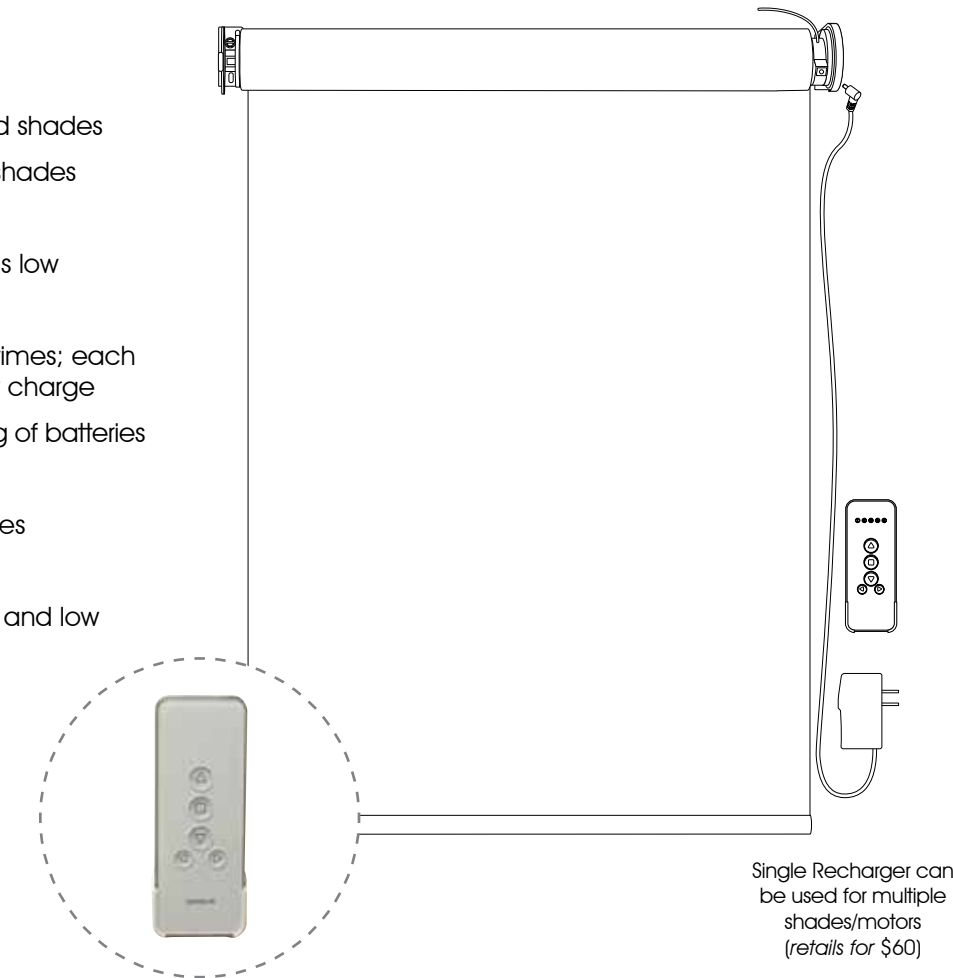

CLOSE UP OF MAGIC WAND CONTROLLER

**Rechargeable Battery Shade (LS1100)**

~ *Retails for \$350 (Remote Control retails for \$60; Single Recharger retails for \$60)*

- Child Safe
- No operating cords or chains
- Costs less than other battery-operated shades
- Quieter than other battery-operated shades
- Rechargeable lithium battery
- Warning sound when battery charge is low
- Charge will last 6 to 8 months
- Battery pack can be recharged 500 times; each recharge will produce 700 cycles per charge
- No external battery pack; no changing of batteries
- Remotely controlled
- Sleek remote will control up to 6 shades
- No wiring installation
- Electronic limit will stop shade at high and low points automatically
- Stop your shade anywhere
- Easy to operate
- Compatible with our exclusive fabric-wrapped cassettes

Single Recharger can be used for multiple shades/motors (retails for \$60)

CLOSE UP OF REMOTE CONTROL  
Remote control can be used for up to 6 shades (retails for \$60)
